

# THE CHEQUERS CIRCULAR WALK

This is a walk of around 3½ miles and will take you approximately 1¼ hours depending on conditions and your level of fitness.

**Start** your walk from the Chequers Inn garden through the Ramblers 50-year celebratory gate. **(1)**

Turn left and continue along the new permissive footpath. Pass through two more Rambler's "kissing gates" and follow the path up and over the top of the hill. Pass a house painted white on your left and join footpath GL6 between two oak trees **(2)**.

Turn right and follow the path until you join the main road. **(3)** Turn left and walk along the pavement for approx. 700 yards.

Just after the junction with Niton Road turn left up a tarmacked track, Bunkers Lane **(4)**. *SIGN - Bunkers Lane GL1 to Chillerton 3¼*

After the houses, continue through Bunkers Copse and beyond. Where the track bends sharp right (there is a notice "Private no Right of Way") **(5)**.

Turn left through a gate.

Go downhill, along the field edge, with the fence/hedge on your right. Go over the double stile at the bottom and cross the narrow field to the footbridge with two stiles **(6)**.

Then cross the field towards distant farm buildings to a stile by a farm gate beneath a tree .

Walk straight ahead up to the group of buildings at Loverstone Farm **(7)**.

Turn left and follow the road for about half a mile. Immediately after it bears right, turn left down the lane towards Cridmore **(8)**.

Just after the lane bends to the right, turn left down a track G18 between hedges

Go through a metal gate and continue straight ahead across the field (you may need to avoid a marshy area) to a stile and foot bridge. **(9)**

Continue towards Rookley Farm **(10)**, turn right and walk up the farm lane to the road. Carefully cross the road.

**Enter the Chequers Inn and buy a well-deserved pint.**
